## PARTNERSHIPS FOR THE GOALS

Misamis University strengthens SDG 17 by forging partnerships with international institutions, national agencies, local government units, community organizations, and other key stakeholders essential for achieving the United Nations Sustainable Development Goals. These collaborations support the effective implementation, monitoring, and evaluation of the University's programs and projects, ensuring their meaningful impact and long-term sustainability.

Through these partnerships, the University leverages opportunities to exchange knowledge, share best practices, and enhance capacity-building initiatives across various sectors. This network of collaboration further strengthens the University's ability to drive community development, foster innovation, and contribute to the achievement of sustainable development locally and globally.

## MISAMIS UNIVERSITY REPRESENTATIVES ATTEND NATIONAL RESEARCH COUNCIL OF THE PHILIPPINES (NRCP) ANNUAL SCIENTIFIC CONFERENCE AND 23RD MINDANAO REGIONAL CLUSTER ASSEMBLY, 3 TAKE OATH AS ASSOCIATE MEMBERS

On September 17, 2025, seven representatives from Misamis University (MU) attended the National Research Council of the Philippines (NRCP) Mindanao Cluster General Assembly held at the University of Southeastern Philippines (USEP), Davao City. The event, themed “Empowering a Sustainable Future: Science, Technology, Social Innovation, and Human Capital in Global Challenges,” brought together researchers, scientists, and extension practitioners from across Mindanao.

Among the participants, three personnel from Misamis University’s Community Extension Program (MUCEP) Office – Forester Bobby B. Alaman, Forester Jersam C. Calago, and Ms. Emmarie F. Mapi-ot – took their oath as new Associate Members of NRCP, marking a significant milestone in MU’s commitment to research and community development.

Aside from the three newly inducted associate members from MUCEP, other representatives from Misamis University who are also NRCP Associate Member participated in the event included Dr. Roseclaremath A. Caroro, Dr. Hidear Talirongan, and Dr. Florence Jean B. Talirongan from the College of Computer Studies, Dr. Yunalyn L. Villantes from Misamis University Research Center, and Ms. Goldah Grace D. Sultan from MUCEP.

## I CARE: MU STRENGTHENS SUSTAINABILITY AND COMMUNITY PARTNERSHIPS DURING THE NESTOR FELICIANO DAY 2024

As part of a bigger community, Misamis University demonstrates its role in the community as an academe by implementing projects and partnerships that protect the environment, engage youth and professionals in literacy and life-long learning, advocate for sanitation and healthy lifestyles, and generate livelihood. Misamis University addresses global issues aligned with the Sustainable Development Goals set by the United Nations because MU takes pride in its values of “I-CARE”: innovation, compassion, adaptability, responsibility, and excellence.

The university celebrated Nestor Feliciano Day on November 14, 2024. It was a day to honor the late university president (1984 to 2006). The Misamis University Community Extension Program (MUCEP) was established in 1977 during his leadership to organize extension activities. The office initiated a ceremonial Memorandum of Agreement branded as the Partnerships for Sustainable Development. Misamis University penned a collaboration with Mt. Malindang Tourism Federation, Bangko Sentral ng Pilipinas, Misamis Annex Integrated School, Mayor Hilarion A. Ramiro Sr. Medical Center, Linusas-Laburak Cooperative, Barra Elementary School, and Barra Barangay Council.
