

How to check for the MU Data Plan (Smart)

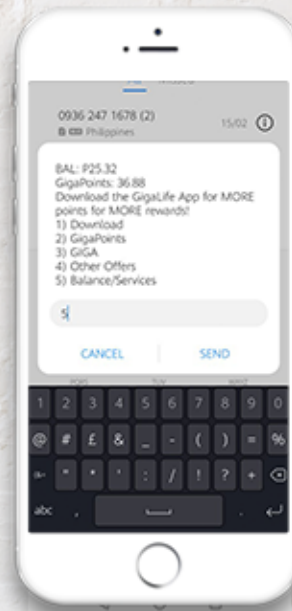

See if you've received your
MU Data Plan
using these easy
steps!

Dialing and calling *123#
is the easiest way to check
if you have received your
MU Data Plan.

Select "Balance/Services"
then choose
"Check Balance"

If you have received your data plan from MU, you should be able to see that you have both Study Anywhere “Data Allocation” and “Sharable Data”

If you have not yet received your data plan, send us an email at marketing@mu.edu.ph
